### Memorial Day in Norway

Exercises leading up to the Memorial Day observance were held in the Baptist Church Sunday morning with an appropriate musical program, and a sermon by Rev. G. Howard Newton. Among those attending in a body were members of Harry Rust Post G. A. R., the Women's Relief Corps, Daughters of the American Revolution and Daughters of Veterans.

The Memorial Day parade formed at American Legion Hall, Monday morning and started for Norway Fine Grove Cemetery about 9 o'clock. Dr. B. P. Bradbury and Abraham Klein were the marshals mounted on horseback, Norway-Paris Band with Allie Cota leader followed. The escort included Members of Harry Stone Post American Legion, Alfred J. Dyer, color bearer, and other ex-service men; Spanish War Veterans; Sons of Veterans; Norway Patrol Boy Scouts in uniform; and public school children with flags. Following in automobiles were the members of Harry Rust Post G. A. R., Women's Relief Corps, and representatives of several fraternal orders.

The line of march was down Main to Lynn to Beals to Paris street, thence to Pine Grove Cemetery where the soldiers' graves were decorated. The band played several selections and the school children sang. Rev. O. E. Barnard, pastor of Norway Congregational Church, offered prayer and Wilfred G. Conary a veteran of the World War, read Lincoln's Gettysburg Address and a communication to the Grand Army. Exercises followed in Rustfield Cemetery. More than one hundred and fifty wreaths were left at the various cemeteries in town.

Dinner was served at Grange Hall by the Relief Corps, the D. A. R.'s and D. V.'s to all who participated in the parade and to the ministers and their families. Free dinners were served to one hundred and thirty-five people, including one hundred and twenty school children and the Boy Scouts. There was plenty of food and the variety was large.

Hon. Alton C. Wheeler of South Paris was the orator during the exercises at Norway Opera House at 2 o'clock. His address was a strong appeal for Americanism in its true sense under one flag and one language. He admonished all to ever keep alive the spirit of the day. Fallen heroes of our wars should never be forgotten, and the least we can do is to properly observe one day each year and dwell upon their humanitarian sacrifices.

Post Commander W. S. Cordwell presided during the meeting. The band played several selections and Alfred Morse of South Paris read "The Whistling Regiment" with Mrs. W. T. Smith at the piano. The attendance was fair.

The American Legion had a flag raising before the morning parade. The flag is located at the western corner of their headquarters on Main street and a large flag was unfurled while the band played the "Star Spangled Banner." The exercises were informal.

Norway Boy Injured in Auto Collision  
Arthur C. Bartlett of Norway, Walter E. Stearns of Rumford, Harold Beach of Brunswick, Warren E. Barker of Biddeford and Gordon Howard of Abington, N. B., all Bowdoin students, collided with Hudson with an Overland driven by John Doyle of Bath. Arthur Bartlett received severe injuries and was taken to Portland. Howard sustained a broken collar bone and other injuries, but was treated at the college infirmary. The other occupants returned to college.

According to reports, the two automobiles met in head on collision at a point on the State road where it narrows near Stone's Pond, just outside the village of Brunswick, Monday night about 8:15. Both machines were completely wrecked, and headed in the opposite direction from that which they were travelling. The cars were travelling at a fair rate of speed when they came together.

In the Overland with Mr. Doyle were two women, a boy and the man who was teaching Mr. Doyle to drive. The boy was cut badly about the face and arms and was taken to the home of Dr. Elliot in Brunswick where he was cared for. The rest of the party went at once to Bath.

It is the opinion of eye witnesses that the collision was due to the sudden narrowing of the road at the point of the accident and to the drivers of the Overland, becoming confused by the passing of an electric which crossed the road at that point, about the time of the collision.

A Dorchester Boy Says  
"I was quite interested in the announcement made in this week's issue of the 'Advertiser', 'Norway folks' would have a reunion, etc., in Franklin Park on June 5th next. Being a Norway boy of considerably many years ago, yet I have an interest in my home town, and would be glad to find who is from Norway, now located in Boston and vicinity. Buy Franklin Park is large, with lots of different places where a gathering might be had, yet hard to locate unless one knows. Can you state in your next issue of the Advertiser what particular part of the Park this gathering is to take place?"

We are unable to state the location as we do not know, but darsay you can find them.

Cleveland-Nevers  
The marriage of John W. Cleveland and Edith Maud Nevers of South Paris took place Wednesday afternoon, at 4 o'clock, at the home of the officiating clergyman, Rev. C. G. Miller. The bride was crowned in a handsome blue traveling suit. Mr. and Mrs. Cleveland will make their home in Norway.

Guests at Shepard's Camps for the week end and holiday, Mr. and Mrs. W. G. McLaughlin, Levinson; Mr. and Mrs. Harry Chandler, Mary Mack and James F. McMahon of Lowell, Mass.; John W. Wood and Mr. and Mrs. F. I. Bumpus of Auburn.

Thomas Thibodeau, and daughter, Tessie R. Thibodeau, entertained over Memorial Day, Mary Thibodeau of Boston; Mr. and Mrs. Irving Thibodeau of Medford, Earl Thibodeau of Stoneham, Mass. and Harry Thibodeau of Lynn, Mass.

A new stone and concrete driveway into the Norway Auto Co. street entrance replaces the plank used since the building was erected.

### Twin Towns Will Celebrate

That Norway and South Paris will fittingly celebrate on Independence Day is no idle dream, but an assured fact. The eagle will scream and the day will go down into local history as one of the biggest times the towns ever staged.

The matter was brought to a head when citizens from both towns met in the Norway Municipal Court rooms Wednesday evening and formulated plans to put the joint celebration across with a bang. Lawrence M. Carroll, president of the Twin Towns Athletic Association, presided.

Every phase of the question was freely discussed and a rough estimate of expenses was drawn up. The gist of the talk and plans simmered down is this: there will be plenty of noise after mid night Sunday, with a sunrise salute. A monster parade will cover both villages, this to be formed in two divisions, the first to include decorated automobiles, trade floats, etc. the second to feature antiquities, horrors and local hits. Prizes will be given for the best decorated car and the most horrible costume or "float."

All other events to be put on at Oxford County fair grounds to include two ball games, foot races, tug of war, fireman's muster and other sports. Dancing at both villages in the evening. One or more bands will furnish music during the day.

As the Association decided not to handle the dinner problem, that proposition is open to the local churches the granges and other societies. Probably several thousand people will be on hand and many will come without picnic lunches, therefore here is a chance to do a public service and perhaps make a little change. The standing committee was given authority to settle this matter with any organization wishing to feed the multitude. It was decided that the Association should have an exchange of refreshments as per arrangements made at the baseball meeting several weeks ago. Urshul Gammon will handle the situation for Norway and some person will be selected in South Paris to represent that town.

The tentative program as outlined at the meeting is as follows:

8:30 A. M.—Monster parade.  
10:30 A. M.—Ball game, Twin Towns vs. W. 12:30-1:30 P. M.—Dinner.  
1:30 P. M.—Tug-of-war, Norway vs. South Paris.

1:50 P. M.—Old Fashioned Fireman's Muster. Hand Tug of Norway vs. Hand Tug of South Paris. Others invited to compete. Valuable prizes.

Foot Races and other track events with suitable prizes.  
3 P. M.—Baseball vs. team to be decided upon.  
8 P. M.—Dancing in both villages.

The afternoon ball game is the air. Oxford is willing to come to the Portland team wishes to be reckoned in. Others have put in a bid, so there will be a real contest anyhow and a thriller is to be staged if possible.

The following committees were appointed. Others will be chosen as the plans develop.

Parade—Chairmen: Chas. W. Bowker, Fred H. Cummings. Assistants to be selected by tug-of-war. Sports: Races—Chairmen, Harry W. Shaw, Percy H. Nevers. Assistants to be selected.

Advertising for Norway—H. Walter Brown, James G. True, P. H. Nevers, Walter C. Chandler, George L. Smith, O. Barrows, Earl Farnham, Stanley W. Wheeler, Robert W. Wheeler, Percy Ripley, Walter L. Gray. Standing Committee—Chair: Chester G. Mann; George F. Eastman, Percy F. Ripley, William C. Frothingham, J. L. Carr, George L. Curtis, L. W. Cushman, Albion L. Buck.

A public meeting will be called at 8 o'clock on Tuesday next week to talk the celebration over with those not able to be present Wednesday evening. A large delegation from Norway will attend.

Elaborate decorations will be carried out in both villages. Plans for Norway will not be made until after the meeting of Trade meeting Tuesday evening. At that time the question will be discussed in the light of what the Board will do when the Portland Commandery Knights Templar visit town on June 24.

"Come to the Twin Towns Celebration" is the slogan. We have live show in the making. This is where real things are put across in high gear on non-skid tires. No dead batteries in our car. Get us?

Mr. and Mrs. H. B. Young, with Mrs. E. C. Libby and daughter Ruth, spent Thursday in Portland.

Howard B. Young has finished wiring at Hiram Clark's residence, corner of Beal and Winter streets and is now installing lights at the Rust Jackson farm at Milletville.

The large electric fan ordered for the K. of P. Hall of Howard Young was used Tuesday evening for the first time. This proved to be a complicated job, being put in over the chandelier and one more light than the fixture was made for must be had, but Mr. Young with his usual ingenuity, overcame the obstacles and the Knights were well pleased with this new luxury for their hall.

Mr. and Mrs. I. W. Dow spent a few days in Yarmouth and Portland the past week.

Mrs. Walter F. Tubbs entertained a few friends Saturday evening in honor of Mr. Tubbs' birthday, the evening was spent pleasantly with cards; refreshments were served and Mr. Tubbs was honored with a large birthday cake bearing and other gifts. The guests were Mr. and Mrs. George Tubbs, Mr. and Mrs. Olney Burgess, Mr. and Mrs. Roy Pratt, and Mr. and Mrs. Wilfred G. Conary.

Mrs. William DeCroteau and two children arrived home Tuesday after visiting relatives several weeks in Taunton and Lynn, Mass., Meriden, Conn., and other cities. Mr. DeCroteau met them in Portland.

Eddie Trafant was at Bemis over the week end and holiday in quest of keen fishing. He landed thirty seven trout and salmon, varying in weight from one to three pounds each. "Never saw such biting" is his description of the trip.

A special meeting of the Board of Trade has been called by Pres. L. M. Carroll for Tuesday evening, June 7, at 7:30 o'clock in the E. N. Sweet Shoe Co. store. Action will be taken on decorating for the Portland Commandery, Knights Templar visit here on June 24. The matter of decorating for the fourth of July celebration will also be settled. Everybody come.

Guy Stevens of South Portland was in town to attend the funeral of his niece, Ethel Stevens.

### BASEBALL

#### Norway High 28; Paris High 2

A regular killing was staged at the fair grounds Wednesday afternoon when Norway High School galloped away with an empty victory. The twenty errors committed by Paris with regular slugging by Norway proved a regular slaughter. No other event in the history of both schools ever caused a greater surprise locally than this paradox. Both teams have played consistent baseball and team observers doped a fifty-fifty proposition when the end time rivals clashed. Apparently Purington was a puzzle for the visitors as only four scattered hits were scored for Paris. Both Shaw and Starbird were touched freely. Class was shown during the opening innings but a break in the third gave Norway the lead.

Norway must face Paris on the latter's grounds on June 8 and a more interesting contest is anticipated.

#### Shaw-Carroll

On Wednesday evening, June 1st, occurred the marriage of Ruth Estelle Carroll of Norway, to Alfred Shaw of Sanford, at the home of the officiating clergyman, Rev. C. G. Miller, at South Paris. They were unattended. The bride was becomingly gowned in a dress of blue tulle with blue hat to match and a bouquet of roses and lilies. The double ring service was used. The groom's gift to the bride was a pearl necklace and the bride's gift to the groom was a platinum scarf pin with a blue sapphire.

Mrs. Shaw is the daughter of Mr. and Mrs. N. Ed. Carroll of Norway. She graduated from Sanford High School in the class of 1914. For the past few years since living in Norway she was a bookkeeper at the Carroll-Jellison Shoe Co.

Mr. Shaw is the son of Mr. and Mrs. D. L. Shaw of Sanford. He is a graduate of the Sanford High School, class of 1914; and attended the University of Maine for two years. He was in the aviation service for 18 months and was discharged from Brockfield, Texas, a lieutenant.

Mr. and Mrs. Shaw left by auto for parts unknown. They will make their home in Sanford where Mr. Shaw, with his father, operate a large farm. They were the recipients of many fine gifts including checks, silver, linen, cut glass and furniture. They will be at home at Sanford after July 15.

Twenty-Five Years As Musical Director  
George W. Horne, a former Norway boy, is turning the quarter century goal in his work as supervisor of music in the Lewiston public schools.

Mr. Horne has carried on his work with high ideals of service and fine sense of honor, far beyond petty measures or rivalries. He has lent inspiration to individual talent for music wherever he has found it and has tried to develop in all the students some degree of appreciation of the best.

When Mr. Horne took up the work, there was not the variety in musical expression as now. The pupils learned to read and master the scales and sing the part songs, giving exhibitions of real merit at graduation time. Mandolin and brass clubs and school orchestras were not known.

Today, under Mr. Horne's instruction, Jordan High has one of the best school orchestras in the State and in it is some talent that promises more than ordinary results in future training is carried on. With his help, the mandolin club has thrived although it is directly under the leadership of Marguerite Lougee, one of the teachers at Jordan High. The experiment of a school orchestra at the grammar school was tried one year, though it has not been followed up.

Mr. Horne was the fourth teacher of music in the Lewiston schools. He was born in the town of Norway, educated in Portland and New York City and took his musical training in Massachusetts.

He came to Lewiston a quarter of a century ago, it was not to take an official position, but to fill the vacancy left by the departure of a distinguished vocal teacher, George Lowell Tracy. It was not long, however, before he succeeded Mr. Chase, who had been supervisor of music in the public schools, and was named.

Mr. Horne has been a noted tenor singer with several musical organizations and his vocal accomplishments are widely known.

Letter From Hattie A. Small  
For the benefit of some of my Norway friends who read the paper and perhaps will be interested to know where I am these days, I am going to write a few lines.

I have been stopping on Paris Hill for several weeks with Emma Cummings and her invalid sister, Dora Jordan. Mrs. Cummings owns one of the most pleasant homes I have ever seen and I have been in since I sold my home in Norway. I have enjoyed reading very much, but have been situated for the last few years where there were children and lots to do, so have not found much time to read. Mrs. Cummings has a fine collection of books, complete works of many of our best authors, such as Dickens, Walter Scott, and many others. She is a literary woman and reads a good deal, so appreciates the taste in other and enjoys to see them read, after necessary work is done of course.

I do not wonder so many wealthy, scholarly men and women have selected Paris Hill for a home. The view from every direction is beautiful. Last, but not least, if it has never been your privilege to look from your chamber window on the Hill (if you are fortunate enough to have one), down upon the electric lights at night, it is a sight to be remembered. South Paris and Norway, twinkling like so many bright stars in the firmament above, you have missed a wonderfully fascinating sight.

A long illness is usually rather depressing, but not so here. Dora, the sister, is such a truly lovely woman, so patient and kind to all, it is a pleasure to do all one can for her. I hope some of my acquaintances and friends will ride up to see me some beautiful Sabbath.

It is rarely the case one has such a pleasant trip to the hospital. If the sister should pass out, Mrs. Cummings, I presume, would close up the home winters, so come and see me while you can.

### Body of Red Cross Nurse Rests in Family Lot

The remains of Frances E. Bartlett arrived in Norway Sunday morning from Hoboken, N. J., and were taken to East Stoneham for services and burial in the family lot. Undertaker Leroy Spiller made complete arrangements for receiving the body and for its removal to the former home of the family.

The remains were taken to East Stoneham shortly after the arrival of the train. Eight members of Henry Stone Post American Legion formed the escort and were bearers at the services held in the Congregational Church Sunday afternoon at 2 o'clock. Rev. C. N. Eliopoulos officiated.

Miss Bartlett was born in East Stoneham twenty-seven years ago, the elder daughter of Mr. and Mrs. C. L. Bartlett, and for her bright, sunny nature, was beloved by old and young. The church was crowded with those who came to give their last token of love and respect to her, and their sympathy to the bereaved parents. Rev. Eliopoulos spoke words of comfort and cheer to the sorrowing ones.

The flowers, silent tokens of love, were many and beautiful, her last resting place being entirely covered with them.

Miss Bartlett was a niece of Hon. Albert L. Stearns and Dr. and Mrs. Herman L. Bartlett of Norway, where she attended Norway High School, graduating in the class of 1911. She studied at Bates College two years, then entered the Massachusetts General Hospital, graduating in December, 1916.

She joined the Harvard Unit, Red Cross British Expeditionary Forces and sailed for France, Feb. 23, 1917. After serving her enlistment she returned home in September, 1917, and did private nursing until January, 1918, when she signed with the American Red Cross and went to the Walter Reid Hospital at Tacoma Park, Washington, D. C., going from there to Cape May, N. J., where Unit No. 115 Base Hospital was formed with the American Expeditionary Forces, and sailed for France the last of July, 1918, being stationed at Vichy, France. Her death occurred October 17, 1918, from pneumonia. Memorial services were held from her former home at East Stoneham, Nov. 17, 1918.

#### Private Harlow's Body Brought Home

The body of Private Edmund M. Harlow arrived from Hoboken, N. J. Sunday morning and was taken to Spiller's funeral parlor waiting services which were held Wednesday forenoon. Rev. Chester G. Miller was the officiating clergyman and the remains were in charge of representatives of Arthur S. Foster Post American Legion of South Paris. Burial at Riverside Cemetery where a committee service was held.

Private Harlow was born at Riley Plantation October 1, 1879. His early days were lived in Buckfield and Greenwood, he married Ora Whitman, November 22, 1903, and for three years they lived at West Paris and then in 1906 they returned to his grandfather's farm in Greenwood, where they resided a few years before coming to Norway, with employment at the Paris Manufacturing Co. He was a member of Rockingham Lodge, Knights of Pythias at Derry, N. H., of the 15th Follows at South Paris, and of Norway Lodge, Loyal Order of Moose at Norway. Memorial services were held at the home of Mrs. Harlow's sister, Mr. and Mrs. Rodney Verrill, Tucker street, soon after the official notice of his death in France. Rev. Chester G. Miller, pastor of the First Universalist Church officiated at that service.

Private Harlow enlisted at Portland with the 21st Engineers in July, 1918. From Fort Slocum he was transferred to Camp Humphreys, Va., thence to Fort Benjamin Harrison, Ind., and sailed for France from Camp Upton in October, 1918. In a letter written by him on Feb. 18, 1919, he spoke of being a helper at a Salvation Army canteen and was in perfect health. His death from spinal meningitis and bronchial pneumonia was reported on Feb. 27, 1919.

D. A. R. Field Day  
Abigail Whitman Chapter D. A. R. had a field day with the regent, Mrs. Harriette Brown at the Brown cottage, Evergreen, on the west shore of Penesseewassee Lake, Wednesday. Twenty were covered by Anglo and beautiful dinner of baked beans, brown bread, salads, scallops, cake, fruit, confectionery, nuts, and a lot of other good things were prepared and served by Mrs. Harriette Brown, Mrs. Lucella A. Merriam, Mrs. Gertrude W. Libby, Mrs. Emma A. Cullinan and Mrs. Henrietta Chick, and eaten and enjoyed by the party.

Not the least was the happy social time and the getting better acquainted one with another. This was the regular meeting and in the afternoon the meeting and business session was held. Four of the past regents were present. This is the last meeting before the summer vacation. The next meeting will be held in September.

McAllister-Webster  
Gerald F. McAllister was united in marriage with Flora Webster, daughter of Mr. and Mrs. Charles Webster of Wayne. The ceremony was performed at the home of the bride's parents, by Rev. Mr. Walton, who used the impressive double ring service. The bride was gown in white net. The attendants were Wallace Webster, a brother of the bride, and Doris Hathaway.

The rooms were attractively decorated with apple blossoms and ferns. Among the guests was the groom's parents, Mr. and Mrs. Leslie A. McAllister of Norway, and his great grandmother, Mrs. Lydia McKen, 83 years of age, of Auburn.

After graduating from Norway High School in the class of 1914, the groom attended Bliss Business College at Lewiston and has since been employed in that city. At the present time he works for the J. W. Grosse & Co., wholesale grocers. The bride is a graduate of Edward Little High, class of '20. They will make their home in Lewiston. They have been the recipients of many fine gifts.

### SOUTH PARIS

#### Memorial Exercises

Memorial Sunday services were held in the Methodist Episcopal church at 10:30 in the forenoon with a sermon by Rev. H. G. McGlaulin and appropriate music. Canton A. S. Kimball, Patriarchs Militant acted as escort to Win. Kimball Post G. A. R. American Legion Post and their auxiliaries.

Ideal weather brought out a large parade, Monday afternoon. The line formed about 11 o'clock in the square by Capt. Guy Swett as Marshal and led by the Norway-Paris band—marched to Riverside cemetery. In the parade were Arthur S. Foster Post, American Legion and other ex-service boys; Sons of Veterans and Spanish War Veterans; members of the G. A. R. with Alfred Monk of Norway as color-bearer and a long line of school children accompanied by their teachers. Prayer was offered at the cemetery by Rev. G. H. McGlaulin pastor of the Methodist church, followed by singing by the Cecilia choir of Deering Memorial church, after which the soldiers' graves were decorated. From Riverside cemetery the line of march continued to Moore Park where wreaths were laid on the soldiers' monument, thence back thru High street to Market square. Wreaths for the occasion were made by the G. A. R. ladies. Each child who paraded was given ice cream after the procession disbanded.

A dinner was served in Grand Army Hall at noon, and the afternoon exercises were held at Paris Grange Hall. Several patriotic selections were played by the band. Prayer was offered by Rev. J. L. Wilson, pastor of the Baptist church. Franklin Maxim read Lincoln's Gettysburg address. The Cecilia choir, with Mrs. Stella W. Burnham accompanist, sang a patriotic selection followed by the reading of "In Flanders Field" by Earle Clifford. The address of the day was given by Donald B. Following the supper and much to the surprise of Mr. Cooke forty members of Deering Memorial church gathered at his home on Western Ave., where the evening was most happily passed. Remarks were made by Benj. Swift and Winfield Starbird, after which Rev. H. G. McG

## Are You Rheumatic?

Many Pangs That Pass for Rheumatism Are Really Due to Weak Kidneys

Is it rheumatism? Not every pain is. Weak kidneys let uric acid collect. Uric acid causes many queer pains. In the thigh it's sciatica; In the back, lumbago; In the nerves, neuritis. Gout, Gravel, dropsy are uric troubles. When you suspect the kidneys use Doan's Kidney Pills—The home-recommended remedy. Norway testimony is the best proof. Ask your neighbor.

Read this Norway woman's story: Mrs. F. L. Starbird, in year Peaks Hotel, says: Doan's Kidney Pills have been an old standby with me for years. At times my kidneys don't act as they should or my back aches. I often have blinding dizzy spells and rheumatic pains when my finger joints seem to swell and are painful. I always use Doan's Kidney Pills from Noyes Drug Store at these times and they quickly relieve me and cure me of the attack. I can't say enough in praise of Doan's.

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Starbird had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Kodak Ball Bearing Shutter

\$25.00

This Camera fits into a niche, all its own. The picture it makes, 2 7/8 x 4 7/8 inches, is almost up to the full post card size and yet the camera is small, light, convenient.

The Kodak Anastigmat Lenses are made to exactly fit Kodak requirements. They are, in each case, designed with particular reference to the size and type of Kodak and shutter that they are to be used with. The f.7.7, on the 2c Kodak has more speed than the best rectilinear lenses and at least equals the best anastigmats in depth and sharpness.

The Kodak Ball Bearing shutter has speeds of 1-25, 1-50 and 1-100 of a second for "snap-shots," has the usual time and "bulb" actions for prolonged exposures.

The No. 2C Junior is covered with grain leather, is finely finished, is simple in operation and, with the Kodak Anastigmat lens, produces negatives having that crispness and sharpness that are characteristic of the true anastigmat.

## A KODAK YOU'VE READ ABOUT

The No. 2c Autographic

KODAK

Junior

equipped with

Kodak Anastigmat

f.7.7 Lens

and

Kodak Ball Bearing Shutter

\$25.00

This Camera fits into a niche, all its own. The picture it makes, 2 7/8x4 7/8 inches, is almost up to the full post card size and yet the camera is small, light, convenient.

The Kodak Anastigmat Lenses are made to exactly fit Kodak requirements. They are, in each case, designed with particular reference to the size and type of Kodak and shutter that they are to be used with. The f.7.7. on the 2c Kodak has more speed than the best rectilinear lenses and at least equals the best anastigmats in depth and sharpness.

The Kodak Ball Bearing shutter has speeds of 1-25, 1-50 and 1-100 of a second for "snap-shots," has the usual time and "bulb" actions for prolonged exposures.

The No. 2C Junior is covered with grain leather, is finely finished, is simple in operation and, with the Kodak Anastigmat lens, produces negatives having that crispness and sharpness that are characteristic of the true anastigmat.

Pleasant Pond Grange is also to be invited for that day.

## Reception

A very pleasant affair was the reception given to Rev. H. P. Aldrich and family, the new pastor of the Federated church. The L. O. O. F. hall was prettily decorated with the national colors, a U. S. Flag and Christian flag and words "Welcome" in red letters. Beautiful red and green potted plants and ferns were across the stage while apple blossoms in vases were on the small tables up and down the sides of the hall. Large rugs were on the floor.

The receiving line was headed by S. J. Lyons and Columbia D. Dunham to represent the church, and A. D. Littlehale of the North Paris church. Next to them were Rev. and Mrs. H. A. Markley of the Universalist church, Rev. A. B. Bates of the Finnish church, then Principal Combs representative of the day schools and Earle Bane, Supt. of the Sunday school, who introduced the people to the new pastor and his wife and three daughters, Gladys Genevieve and Louise and little son Herbert.

The program consisted of addresses of welcome from S. J. Lyons, A. D. Littlehale, Rev. H. A. Markley, Rev. A. B. Bates, Mr. Combs and Earle Bane all of which were very cordial and interesting which were as graciously responded to by Rev. H. P. Aldrich.

Many pretty and useful gifts were received by the prospective bride including a good number of pieces of pyrex, aluminum, silver and many other gifts. A number of piano selections were rendered by Mrs. Grover, Olga McKen, Beatrice Davis and Mrs. Wardwell and A. T. Hollis gave two readings selections, making an enjoyable evening's program. ## FRYEBURG

Fryeburg Loses One of Its Best Citizens  
Wm. Henry Tarbox, one of Fryeburg's oldest and best citizens, passed away at his home on Main street, May 21, after a lingering illness of nearly two years.

Mrs. Tarbox, who was Anne Walker, passed on in July, 1920.  
Mr. Tarbox was the second son of Dominicus and Stella Paine Tarbox, and was born in Denmark, May 5, 1859. The Tarbox family was one of the most prominent families in Denmark. All of the nine children of Mr. and Mrs. Tarbox (five boys and four girls) grew up and were married save one daughter, who died at the age of fourteen.

Wm. H. Tarbox went to California when a young man, where he engaged in business for several years, returning he had his headquarters in Boston. He was a contractor and under his supervision many of the finest buildings in New York, Boston and Washington were built. He was in Florida for two years, having charge of the construction of a palatial residence for the Carnegie Brothers, Andrews and Thomas. Mr. Tarbox was a man noted for his integrity and upright dealing. He had a large circle of friends who appreciated him for his true worth and sincerity.

Mr. Tarbox retired from business about ten years ago, since then has resided with his family in Fryeburg. He was a member of Pythagorean Lodge of Masons of Fryeburg, a member of the I. O. O. F. in Stockton, California, also a member of Pequawket Lodge, K. of P. No. 34, of Fryeburg. Mr. Tarbox leaves one daughter Clara, and a son, James W. who reside at home and have been most indefatigable in their devotion and loving care of their parents; also one brother, Wallace R., of Fryeburg, and several nieces and nephews.

## NORTH WATERFORD

Grangers Cheerful  
Reports from the last "spasm" was cheerful as a good sum was realized toward Grange Hall repairs, the program was very good. Florence Card got the big box of chocolates by guessing correct by the larger number of disguised friends and neighbors. Some laugh, and some show. Nearly 200 attended and the dancers seemed to have more "pep" than ever. It may have been because they had more elbow room as the hall was much larger. Possibly the orchestra playing nearly all 1921 copyright music (except for the contras) accounts for the many encores. Whatever the reason, it pleased the committees in charge. The ice cream was sold out early in the evening and more could have been sold. The hardwood floor has arrived, and several grangers are working on the building, still more members are working on the next program in connection with dancing and refreshments for the next "spasm." All members, including the new ones, seem enthused and cheerful.

**Fire on Speckled Mt.**  
An alarm was rung Tuesday afternoon announcing a fire in the Speckle Mountain district. An automobile and truck load of men went over at once to aid the fire fighters and they soon had it under control. A. E. Nelson and F. H. Grover remained all night to aid the fire patrol.

A party of twenty-two members of Milledale Temple, P. S., went to Bridgton, Thursday evening, where they were royally entertained by Echo Temple returning in the "wee sma' hours" of the morning.

A large crowd from this and adjoining towns gathered Monday to aid in the observance of the memorial exercises. The Ladies' Relief Corps, school children, and citizens formed in line and marched to Hillside Cemetery where the graves of our honored dead were decorated with flags and flowers, marching back to the vestry where dinner was served to several hundred people by the ladies of the town, after which all who could, repaired to the Church and listened to an eloquent address by Rev. C. G. Miller of South Paris. He reminded us that Stoneham had always been a patriotic town, sending to the Civil war more soldiers than there were voters in town. In our little cemetery the war of 1812, the Civil war, the Spanish war, and the World's war are all represented, and one Red Cross Nurse is resting there, but very few of the Civil war veterans are with us now, let us show them our love and respect while we may, not keeping all the flowers to lay on their graves, and not wait for Memorial Day to honor them for each year finds their ranks thinner.

**EVERYBODY SEES A CHANGE IN FATHER**

Grateful Son Says His Father Looks Like Different Man Since Taking Tanlac

"My father has suffered from chronic stomach trouble for over twenty years and has paid out thousands of dollars for medicines and doctors," said G. W. Slayton, a well-known Cobb County farmer, living a short distance out of Atlanta, Ga.

"We tried nearly everything trying to cure him and he went off to the Springs, thinking maybe the water might help him, but it just looked like nothing would reach his trouble. Then he tried dieting and lived on liquid food until he almost starved, but even that failed to do him any good and he just kept going from bad to worse."

"I don't guess there ever was a case as stubborn as his and if there ever was a confirmed dyspeptic, he was one of them and I guess he would have been one yet if it hadn't been for this Tanlac."

"The first we heard of this medicine was when my father saw an advertisement in the papers from parties he knew in Tennessee, who were friends of his and he knew what they said about it was the truth so he got it right away and began taking it. Well, sir, it acted just like magic—everybody notices the change in father. Why, he is just like a different man and sits down to the table and eats like a farm-hand. Only yesterday he ate pork and turnips for his dinner and ate so much we were actually afraid he was going to overdo the thing, but he laughed and said nothing hurt him now, and that he was hungry and expected to eat and make up for lost time."

"Now, when a medicine will do things like that I think people ought to know about it and I want to say right now that I would not give one bottle of Tanlac for all the other medicines and health resorts in the country put together."

Tanlac is sold by A. L. Clark Drug Co., Norway; Stowell Bros., Locke's Mills; R. E. Pinkham, East Waterford; W. H. Brown, East Stoneham; Heald, Stevens & Kimball, Lovell; H. L. Hutchins, North Fryeburg; L. B. Rounds & Co., Waterford, and P. G. Barrett, Welchville, Me.

Pinkham's Vegetable Com-  
pound in Time

Georgetown, Ill.—"After my first baby was born I suffered so with my left side that I could not walk across the floor unless I was all humped over, holding to my side. I doctored with several doctors but found no relief and they said I would have to have an operation. My mother insisted on my taking Lydia E. Pinkham's Vegetable Compound and I soon found relief. Now I can do all my own work and it is the Vegetable Compound that has saved me from an operation. I cannot praise your medicine too highly and I tell all of my friends and neighbors what the Compound did for me."

—Mrs. MARGARET McCUMBER, 27 S. Frazier St., Georgetown, Illinois.

Mrs. McCumber is one of the unnumbered thousands of housewives who struggle to keep about their daily tasks, while suffering from ailments peculiar to women with backache, sideaches, headaches, bearing-down pains and nervousness, and if every such woman should profit by her experience and give Lydia E. Pinkham's Vegetable Compound a trial they would get well.

# HUDSON

## Another Hudson Distinction

Much more than mere ability to travel quickly and safely is demanded of fine motor cars, now that men know the difference in comfort that comes with smoothness of engine operation.

It is not easy spring action which alone accounts for a comfortable ride. Riding fatigue is not entirely eliminated even over smooth roads, for that feeling of exhaustion is usually the result of motor vibration.

The luxury of motion describes the performance of the Hudson Super-Six.

Yet it falls as far short of conveying the distinction as does mere description of exquisite music.

It must be experienced to be understood.

### Told in Day to Day Service

Thousands of Hudsons are used in commuting service between town and country.

For the most part they are owner operated. They are driven on schedule by men who must value every minute. And further they must arrive at

their destination fresh and fit for their day's work. The distance may be 30 to 50 miles—the time at the wheel from one-half to two hours.

Whatever the conditions, men who use their cars in such necessary services, seek more than mere transportation.

### For Duty That Demands Utter Reliance

And that is why Hudson is such a favorite.

Its dependability, its comfort, reliability and distinction are satisfying qualities.

Hudson has built up no class of motorists as its clientele.

It has drawn its friends from all motorists.

It is the family car, the man's business car and the woman's automobile.

To each the appeal of reliability and smoothness of operation is strongest.

Today more than 100,000 owners hold envied confidence in Hudson because of its motor invention.

He called on former parishioners in Otisfield also, and attended the session of the grange Saturday evening.

#### MY DAYS AND NIGHTS IN THE HOSPITAL

No. 10

Mr. Fred W. Sanborn, the editor, also

remembered me while in the hospital.

He had himself been "under the knife"

and was sympathetic. Mr. Sanborn was

operated upon at home and has had no

hospital experience. He came to Norway

from "God's Country" in New Hamp-

shire 35 years ago or more and began the

publication of the Norway Advertiser

which had had a precarious existence.

It is now probably the best equipped and

most valuable local newspaper plant in

New England, but I have thought that

Mr. Sanborn's success—greater than any

man who has settled in Norway in my

time, with the possible exception of the

future Governor of Maine—was due more

to the "madam" than to him. I think

her the ablest woman I know. Mr. San-

born is a great business man. He makes

some mistakes like all the rest of us, but

not in business matters that I am aware

of. I have an idea that he deeply re-

grets his part in having the town elect

its selectmen and assessors for three years.

He was the author of the measure and

finally it became a success, principally

through his efforts. He and I have not

always agreed—nothing serious, however

—and I think he likes to get "a good

one" on me, but sick or well, I have ever

been eager for the fray. He claimed

that I threatened to "kick the stuffing"

out of him once, but I didn't. I only

said I could, when he mentioned in his

"Barn Door Sketches" that I was get-

ting crippled up and growing old. After

I got home from the hospital and began

to get out of doors once, I used a cane

that Bob found around the house. On

seeing it, Mr. Sanborn said it was his.

He identified it from a certain mark on

the cane. Bob said it had been in the

house for many years, but how it came

there no one seemed to know. Mr. San-

born has become of late a great cane

fanatic. He cuts them in the rough and

polishes them up. I noticed a large col-

lection down at the club room and in the

printing office. There was but one I

would be seen on the street with. He

thinks they are fine and perhaps they are,

but if so I am "way off." I quit using

the cane Mr. Sanborn claimed and passed

it over to Bob. My good friend, John

Woodman, "the best man in Norway,"

lent me a cane that, according to my poor

judgment, is a dandy. This I sported

for a time when I wished to put on airs

on the street. I have since found my

battlefield canes and have returned Mr.

Whitman's to him.

I have known since I came to Norway

many hotel keepers, and three stand out

prominently above the rest in my mem-

ory and feelings towards them. I was a

student in the high school when I first

knew Otis True, landlord of the old Elm

House. He went to Lovell before I came

to Norway to live permanently and I

afterwards stopped with him there, while

"stumping" in the western part of the

county one year. Who that ever knew

Otis True, failed to like him?

Capt. Wm. W. Whitmarsh and his ex-

cellent wife, daughter of good old Capt.

Jonathan Blake, were running the Elm

House Hotel when I settled here. I then

occupied the old Levi Whitman office—

built about 1805—situated where Jack-

son's Meat Market is located and of which

it now forms the front part. About the

first business I did was for Capt. Whit-

marsh and he was ever after my firm

friend. I afterwards had the satisfac-

tion of presenting his name to the Re-

publican County Convention on Paris Hill

for re-nomination as County Commis-

sioner which he secured by one majority.

A delegate from Brownfield, who had

been in the Civil War, told me after the

convention that my presentation speech

induced him to vote for Whitmarsh which

he hadn't intended to do when he left

home. This vote gave the Captain six

extra years as county commissioner. He

was the strong man on the board when

Hill to South Paris, but for his efforts

it is pretty safe to say that the county

HOLD ON TO YOUR BONDS If it is at all possible, we advise every purchaser of Liberty Bonds to hold on to them.

"The foundation for making America a thrifty nation was laid during the first Liberty Loan campaign when for the first time in the history of this nation people were taught the lesson of saving their dollars," said an authority on financial questions, recently. Some short-sighted people have been tempted to sell their bonds during the period of market recessions.

The fact that the market price of Liberty Bonds has depreciated along with the securities of other governments and corporations has absolutely nothing to do with their intrinsic value.

A matter of fact, Liberty Bonds are exactly as good today as they were on the day the government sold them. The mere fact that they have depreciated in price makes this a more opportune time to buy them because they yield a larger return.

The causes of present prices of Liberty Bonds are numerous. An outstanding fact is, that the call for money to carry on manufacturing and industrial activities has compelled many large holders of Liberty Bonds to sell them. Many employers finding it necessary to obtain large amounts of cash to carry on business, buy raw materials, pay wages, etc., have chosen to sell their Liberty Bonds because, being the best securities in their possession relatively speaking, they have depreciated the least in market value.

Such of course, while regrettable, no doubt has prevented the shut-down of many factories. These and other factors created a situation where there were more persons desiring to sell their bonds than there were people wanting to buy them.

The government is of course not responsible for the low prices of Liberty Bonds. It is simply a case where John Ford's "My Darling Clementine" is sold through the machinery of the market for less than he paid for them, the government having no part in the transaction.

In the open market the loss of one year's or perhaps sooner we will have stabilized our present economic conditions so that Liberty Bonds will regain their 100 per cent value in the market. While we may differ as to time, we are unanimous with respect to the ultimate outcome. It is therefore incumbent on all of us to hold on to our Liberty Bonds and to avail ourselves of present market conditions to purchase more bonds at present advantageous prices.

### FARM BOOKKEEPING

Farmers, as a rule, are highly individualistic in their methods, and farm business conditions vary widely. Accordingly, read-made systems of farm accounts seldom bring out all the facts that the farmer ought to know. Systems must

be developed to fit each man's requirements, and efforts to shape one's needs according to a prepared system, not based primarily on these needs will almost inevitably result in failure.

Trying to appear rich is exactly what is keeping you poor.

### HEBRON ALUMNI MET IN BOSTON

About 200 Hebron Alumni from greater Boston and the vicinity gathered Friday night at the annual banquet at the Copley Plaza, Boston. An excellent dinner was served after which speeches were made by prominent members of the alumni association.

Acting Principal Ernest C. Marriner, outlined the work of the school during the present year and what the institution was endeavoring to accomplish. No effort was being spared to make Hebron one of the best preparatory schools in the country. Prof. Raymond R. Thompson, head of the science department was also present.

Plans were made for forming an association of the entire alumni of the academy and bringing everybody together in the drive that is being made for a larger endowment fund for the institution. For some time the need for an organized alumni has been felt and at last the ball has been started rolling and soon the project will be in full swing.

The matter of a new dormitory was also taken up and it was decided to take immediate action in this matter for the need is acute for accommodations are insufficient for the present needs.

A great deal of satisfaction was expressed over the choice of the new principal James D. Havet, now of Medford High School, who will assume duties next September at the academy.

## Why Pick On Your SHOE DEALER

It is a well known fact that tanners and most shoe manufacturers have taken enormous losses. One tanner alone lost \$6,000,000.00 last year. Shoe retailers all over the country are marking down their shoes to replacement cost. Nevertheless, the woods are full of amateur economists WHO CLAIM PRICES OF SHOES WILL SHORTLY RETURN TO PRE-WAR LEVELS, BUT WILL THEY? YES, THEY SURE WILL:—

When hard coal is back at \$9 per ton;  
When railroad fares are back at 2c per mile;  
When house rent is back at \$10 per month;  
When gasoline is back at 10c per gallon;  
When telephones are back at \$1 per month;  
When a square meal is back at a quarter;  
When farm labor is back at \$25 per month;  
When gas is back at 90c;  
When shaves are back at 10c;  
When the freight from N. Y., now \$1.84, is back at 97c;  
When street car fares are back at a nickel;  
When money is back at 5 per cent.;  
When cooks are back at \$5 per week;  
When hair cuts are back at a quarter;  
When movies are back at a nickel;  
When a car-wash is back at a dollar;  
When ice cream is back at a dime;  
When a doctor's call is back at one buck;  
When a newspaper is back at a penny.

For the love of Mike, why expect the manufacturer, wholesaler and retailer of shoes to go the route alone? Aren't we Americans all in on this proposition together? Haven't we got to work it out together? Well, then, haven't the manufacturers, wholesalers and retailers of shoes gone much faster and much farther than the average in reducing prices and making readjustments? WE'LL SAY THEY HAVE. We're ahead—way ahead of the procession. Now let the barbers and the movie houses, and the Standard Oil, and the soft drink parlors, and the landlords, and the hotels and restaurants, and the draymen, and the bankers cut THEIR prices and catch up with the shoe men.
